BOYS! MEN! I'LL HELP YOU MASTER YUBIWAZA

– says N.J.FLEMING – YUBIWAZA MASTER

WHAT YUBIWAZA CAN DO FOR YOU IN JUST A FEW SECONDS . .

11:03 P.M.—You return from dance. Handsome three inviting remarks to your date.

11:04 P.M.—They attack you with fists and battles. You counterattack with YUBIWAZA

11:05 P.M. PLUS 7 SECONDS — You are convulsed — while every hoodlum is on the run

The VITAL Decision is YOURS to make! Which shall it be? ☐ To play it "chicken" by running away? ☐ Be a "hothead" and be beaten up? ☐ Mail coupon now and be prepared with Yubiwaza to send your attackers flying!

"I WEIGH ONLY 98 LBS. – YET I CAN PARALYZE A 200 POUND ATTACKER WITH JUST A FINGER –BECAUSE I KNOW YUBIWAZA!"

. says Yoshie Imanami – Pretty Japanese wife of N.J. Fleming – Yubiwaza Master

I'M A 3rd-DEGREE HOLDER OF THE BLACK BELT—SYMBOL OF HIGH PROFICIENCY IN THE JAPANESE SYSTEM OF SELF-DEFENSE THAT USES NO WEAPONS BUT BARE HANDS. I spent many years in Japan learning these little-known SECRETS. The most amazingly effective of all Self-Defense techniques that stood out in ALL my Japanese Training is contained in my AMAZING new Yubiwaza book - all yours to have if you ACT NOW! YUBIWAZA is the name of a fantastic system of Self-Defense that makes use of an EASY-to-Learn knowledge of vital body areas and the techniques of the use of just ONE finger or the entire hand to counteract & overcome ANY violent attack. It is commonly known that with the aid of Yubiwaza, young men - and girls, too! - with only a few hours of training, turn back 2, 3 and even 4 attackers - temporarily DISABLING ONE, putting another to flight, making a third howl with pain, while the fourth begged his opponent to stop!

NOW YOU TOO CAN LEARN YUBIWAZA!

The experts in Japan, who know and teach these ONE-finger techniques, have now explained that YUBIWAZA is a centuries-old system of Self-Defense which is as simple and as effective that outsiders were never instructed in its use. The system was restricted to Japanese who SWORE to apply these methods only in time of danger and attack by an aggressor. Many of the very techniques in my Yubiwaza book, once highly guarded secrets of the ancient Samurai warriors never shown to outsiders are now shown to you - FIRST time!

EASY --And I am now ready to show you, too, through clear, easy-to-understand photos, every secret. I guarantee to make you a YUBIWAZA specialist in hours—or every cent you paid will be refunded. You don't have to attend my school where I train beginners like you and turn them into experts. Now I can show you how to practice YUBIWAZA in the privacy of your own home with only a few minutes of practice a day. I'll show you how to defend yourself against hoodlums, bullies, "wise guys" and juvenile delinquents who respect neither lives nor property.

When you apply YUBIWAZA methods, you can cut an aggressor down with JUST ONE FINGER! You can disarm an opponent rushing you with his fists, a broken bottle, a revolver or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only one finger or your bare hands. No matter how "hot" the action gets, YUBIWAZA keeps you "on top." You can apply simple pressure of your finger against any one of a dozen or more vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint. If the neighborhood bully pushes you, you can make him say "uncle" quickly —with the help of YUBIWAZA!

MASTER EVERY SITUATION!

Make no mistake! The world is crowded with anti-social enemies who think nothing of sticking a knife into the ribs . . . or assaulting peace-loving citizens just for the fun of it . . . or molesting boys and girls unconsciously. There is a crying need for a system of self-defense that relies on KNOWLEDGE, not big muscles or strength . . . that depends on TECHNIQUE – not on weight or size of body . . . that is based on simple TRAINING—not on illegal possession of weapons.

When you know YUBIWAZA you can disarm and disable your opponent in seconds. You can repel a mugger who grabs you from behind—no matter how big he is or how much he weighs. Instantly you know WHERE to attack, and how. You learn the body's major vulnerable regions, the defense or on-guard position to take, and your body's personal weapons which you can apply to maximum advantage. I have jam-packed all I know about YUBIWAZA into my Guide, which I have profusely illustrated and clearly explained. I take you step by step through the fundamentals of this amazing system so that you understand clearly and immediately how these effective principles work. You learn these tricks used by marines, police and G-men . . . how to floor any bully . . . how to touch vital spots that will make any attacker helpless. No matter whether you are big or small, strong or weak, you can overpower practically any opponent with lightning speed!

BECOME A NEW MAN!

Knowledge of YUBIWAZA will turn you into a NEW MAN even if you never actually have to use it! For you will become SELF ASSURED through your ability to handle yourself. You will walk with a determined and confident air secure with the knowledge that NOTHING can frighten you . . . that you can deal with ANY man, ANY weapon, ANY situation—and that you can do all this with NO bodily contact! And you will win respect and admiration from everyone.

Thousands of men of all ages have won confidence and respect by learning YUBIWAZA. YOU can do the same! You owe it to your own peace of mind . . . to your friends and loved ones—to be able to defend yourself in those days when attack may come at any time and place from hoodlums, criminals and delinquents. So mail Coupon NOW for my COMPLETE instruction on YUBIWAZA. If you and your friends don't say that YUBIWAZA has made a NEW MAN out of you, every cent will be refunded!

DON'T DROP DISHES

At St. Regis High School they called Brother Alexander, "the watchdog of the Treasury". Not a cent could be spent, either for a plain lead pencil or a new motion picture machine without his o.k. on the voucher. On his desk he had a very simple motto which had been printed for him by the art department

"As long as we are on Earth--Money is still Necessary."

Jimmy Gargan, President of the school Council, had an appointment with Brother Alexander during his free period. So at ten-thirty he came to room 304. The door was always open and the rule was simple. You just entered if nobody else was there. Otherwise the line formed to the right and you waited your turn. Red-headed freckled faced Jimmy Gargan had a big smile on his face as he came into the room. He placed a sheet of figures on Brother Alexander's desk.

"There's the estimate you asked for about the uniforms and supplies for the football team. We went to seven different places. The lowest bid came from Donnely Brothers. Just under one thousand dollars. Cheap isn't it?"

"What is cheap?" questioned Brother Alexander as he adjusted his rimless eyeglasses.

"The estimate of course," replied Jimmy Gargan.

"If we had a million to spend then it would certainly be cheap," explained Brother Alexander. "But since we haven't a cent to spare then it is very expensive."

There was a peculiar silence for a few minutes. The President of the School Counsil saw the dream of a school football team flying right out of the window. Even though the window itself was shut tight.

"You mean we should forget about the football team?" he finally said.

"I didn't say that," corrected Brother Alexander. "But we must find a way to raise money. Surely with your imagination you ought to come up with a good idea. Goal--one thousand dollars. Objective--furnish the football team with the needed equipment. But the problem is how to raise the money. The problem is all yours, Jimmy, And if I know you, then you will come up with a solution."

At lunch time, Jimmy didn't have much appetite even for the big slice of delicious apple pie on his tray in the school lunch room. Fred Burney, one of his friends, came up to him and took a look at the sad expression over his freckled face.

"You had a fight with Irene?" he asked.

"No," was the reply.

"You failed your history test?"

"No," came back again.

"I surrender," conceded Fred Burney. "This could go on forever and ever. What's wrong?"

So Jimmy Gargan explained the entire problem and all he could get from his friend was one big sigh.

"If we had a money tree, that might help a lot." were the few words of co solation given be Fred Burney.

"If we had a tree that grew football uniforms and equipment it would be a much better idea," snapped back Jimmy.

After school, Jim Gargan went home. He spent an hour and a half on his homework. Then he tuned in on his favorite TV show. At supper time he noticed his mother and father said hardly anything.

"Something wrong, Mom?" he asked

"Not exactly," replied his mother. "Dad is a bit upset. I spent ten dollars for an antique plate and he thinks it was too much money."

"For a cracked plate at that," added John Gargan "Maybe we men don't see eye to eye with the women about what they call antiques. If something is old then it is junk. That's how I figure. But if it is old enough it becomes an antique Doesn't make any sense to me."

"Could I see the plate." asked Jimmy.

His mother went into the kitchen and returned with a package. Carefully she opened it and handed a cracked plate to her son. He examined it and them smiled.

"You mean that a woman would pay money for a cracked plate like this?" he finally said.

"It is a genuine Person Product," said his mother.

Then that solves the problem of how to get money for our projected football team," grinned her son. "We hold an antique show and sell cracked plates."

You better make some sense," suggested John Gargan to his son.

"Down in the lunch room we have fellows with what we call butter fingers. They drop the plates and crack them. Brother Alexander makes a cheap glue and I cement the plates together. On the back of each plate is a simple printed two word identification: Person Product."

"Wait till I tell Brother Alexander about it," added Jimmy. "Hope he likes the idea."

The next day at ten-thirty, Jimmy went to see Brother Alexander who patiently listened to the idea.

"Of course we will have to replace those dishes if we sell them," he pointed out. "We can use the gymnasium on a Saturday night. What can we lose? Now you better get busy and have the signs made."

Burt McClean, Dave Tommely, and Fred Burney helped to make the signs. That evening after homework was done, Jimmy went over to visit Irene Brian. He told her parents about the antique show in which only dishes were to be sold.

"Seems to me some genius ought to make only old cracked dishes," suggested Mr. Brian. "The farmers are making more money selling the stuff collected in their barns and attics than by raising crops. We'll be at the sale, don't worry."

Came Saturday night and it rained. Some say it rained cats and dogs. One thing was certain, big rain drops and lots of them. The same feeling came over many people

"It would be much safer to stay home than take a chance driving in that rain."

About some fifty people were brave enough to go out in that rain and attend the antique sale. The women examined the dishes very carefully.

"If there are so many of them then they can't be worth very much," pointed out one woman

"The law of supply and demand," said Brother Jerome who was helping with the supervision. "If we had barrels of diamonds for sale we probably would only get ten cents a diamond."

A middle aged man bought ten dishes and then came up to Brother Alexander.

"Any objection if I smash a few of them?" he asked.

"On a miserable night like this I don't think I could refuse such a request, provided you paid for them and are careful."

The man got some old newspapers and put them near a wall and then threw the dishes against the wall. They broke and the pieces fell into the newspapers on the floor.

"Is this a new kind of a game?" Jimmy asked Fred.

"Don't drop dishes is what my mother warned me. But never a word about throwing them against the wall."

When the last customer had left, the boys counted the money taken in as a result of the sale of the dishes.

"One hundred and thirty dollars and that isn't to bad," Jimmy announced. "Of course we must replace new dishes for the old dishes we sold. Maybe we could outfit the fellows on the team--one by one.

"Or maybe we could have a football team consisting of only two fellows to save money," suggested Fred.

Since mid-term tests were on the schedule the boys studied hard and for the moment forgot about the uniforms and equipment. Then in the afternoon, Jimmy found he was needed down in the receiving room.

"Sign for the football uniforms and equipment," ordered Brother Jerome. "Everything is paid for."

For the next half hour, Jimmy was in a daze. Willing hands helped him open the packages and sort the material. The team members came down to look at the stuff.

"How?" they all asked.

"I don't know," conceded Jimmy "But in room 304, must be the answer."

"The positive power of prayer," explained Brother Alexander. "It was a good goal and I prayed that it be successful."

"How?" Jimmy wanted to know

"That man who broke the dishes was Mr. Carlson of the Carlson Glue Company I told him I made up the formula. So he gave me a check to get the uniforms and equipment for the team. So after all, it really was a successful antique sale"

QUICK RESULTS

Want to hypnotize your friends? Your club members? HOW TO HYPNOTIZE is a remarkable primer that shows you just how to master the latest improved induction methods. EXCLUSIVELY in How to HYPNOTIZE

ENTIRELY NEW METHOD

Until recently the process of hypnotic induction was largely based on trial and error methods which succeeded mainly with subjects who were highly susceptible to hypnosis in the first place. The truth is that these highly susceptible subjects make up a very small percentage of the population. That is why amateurs and beginning hypnotists have so often been disappointed in their attempts at trance induction. Now, however, recent scientific research has developed ENTIRELY NEW METHODS that are not only sure fire in their results but quick and easy to achieve! For the first time, these new methods are presented in HOW TO HYPNOTIZE in language that you can easily and successfully follow on the very first reading!

SHOWS YOU STEP BY STEP

This book — which has been acclaimed by doctors and psychologists — is guaranteed to give you all the know-how necessary to induce the trance state in others. It not only explains the latest discoveries in hypnotic induction, but it shows step by step, move by move, exactly how to bring on the trance; how to transform the trance into deeper and still deeper states; and how to terminate the trance quickly and effectively without any dangers whatsoever. You are even given alternative methods, so that you can actually chose the one that suits you best.
